OBJECTIVE

To obtain an internship in the computer programming field for Summer 2020.

SKILLS

- JavaScript
- Version Control (GitHub)
- Python 3
- HTML 5 / CSS
- Git Workflows
- Agile and Waterfall Workflows
- SQL
- PGAdmin

EXPERIENCE

MANAGER/JAVAJUNCTION
September 2015 – October 2018
I managed a group of employees in the front of the house and carried out the day to day process. Tasks included greeting customers, counter/register duties and delegating tasks to employees.

SERVER ASSISTANT/HERSHEY FARMS
October 2018 – November 2019
I was part of the front of the house team. I would help my team by bussing tables, keeping a clean environment, and assisting customers.

MENU SERVER/WILLOW VALLEY COMMUNITIES
May 2019 – Present
I would help residents with their dining experience and be a team player in a fast paced and changing environment.

CSET TUTOR/THADDEUS STEVENS
September 2019 – Present
I would help students in my major be reinforcing key concepts that would be taught in class. Some of these concepts included object-oriented programming and the document object model with JavaScript.

EDUCATION

COMPUTER SOFTWARE ENGINEERING/MAY 2021
Thaddeus Stevens College of Technology
My current GPA is a 3.7/4.0 and I am a member of Phi Theta Kappa which is an honor society for high preforming college students. I am also on the dean's list. I accomplished this all while being an Early Enrollment student, which allowed me to start classes a year early.
